

Fun Homemade Decorations

Use card stock or print to fabric

Card Stock

Print on card stock, color, cut, and punch the hole for hanging! Embellish with sequins, ribbons, etc.

Fabric

- Press a piece of 8.5" fabric to the shiny side of an 8.5" piece of freezer paper (approx. 5-6 seconds). Insert into printer & print to the fabric.
- Use crayons to color.
- Remove the fabric from freezer paper and place the wrong side over fusible web paper. Press (approx. 8 seconds).
- When cool, remove paper backing and place on heavy stabilizer (Peltex). Press (approx. 8 seconds).
- Cut away extra fabric & punch hole for hanging.
- Repeat for the back if you don't want the white stabilizer to show.
- Add yarn, sequins, ribbons, etc.
